SUMMARY

A skilled Full Stack Developer with expertise in React, Node.js, MongoDB, PHP, HTML, CSS, JavaScript, and front-end libraries like Material UI and Bootstrap. Proficient in creating dynamic, responsive web applications with seamless back-end integration. Experienced in building scalable, user-friendly interfaces and RESTful APIs, optimizing performance, and delivering clean, maintainable code. Adept at collaborating with cross-functional teams and turning client requirements into robust, high-quality solutions.

WORK EXPERIENCE

Trend Alchemy

SEP 2024 - Present

- Proficient in building robust web applications using React for front-end, Node.js for back-end, and databases like MongoDB and MySQL for data management.
- Strong command over creating scalable RESTful APIs with Node.js and PHP, ensuring efficient interaction between front-end and back-end services.
- Skilled in using MongoDB for NoSQL data handling and MySQL for relational database management, implementing optimized CRUD operations and ensuring data integrity.

Freelancing

JAN 2024 - Present

- Proficient in building robust web applications using React for front-end, Node.js for back-end, and databases like MongoDB and MySQL for data management.
 - Strong command over creating scalable RESTful APIs with Node.js and PHP, ensuring efficient interaction between front-end and back-end services.
 - Skilled in using MongoDB for NoSQL data handling and MySQL for relational database management, implementing optimized CRUD operations and ensuring data integrity.
-

EDUCATION

DIPLOMA IN CIT :

JUNE 2023 - Completed

Aligarh Institute Of Technology.

COURSES IN WEB DEVELOPMENT / MERN STACK DEVELOPMENT

SEP 2023 - Completed

Aptech Metro Star-Gate

ADDITIONAL INFORMATION

- Technical Skills: Web Application Development, API Integration, Database Optimization, UX/UI Design, Responsive Web Design
- Programming Languages: JavaScript (ES6+), PHP, HTML, CSS, SQL
- Frameworks & Libraries: React, Node.js, Material UI, Bootstrap, Express.js(Server)
- Databases: MongoDB, MySQL
- Tools & Platforms: Git, VS Code, Postman, Firebase, Netlify

Certifications:

- Full-Stack Web Development
- MongoDB Developer Certification
- React Developer Certification
